Friends For Sight

Tuesday, October 10 Friends for Sight will be here to do eye screening for children ages 3-5. Friends for Sight's vision screenings are an effective, low-cost method for assessing vision disorders such as Amblyopia, Strabismus, and refractive errors. These issues affect all aspects of young lives, negatively impacting a child's ability to learn, play, and develop.

Fall Family Night

It's that time of year again to let all your ghosts and goblins out and come join us at our Halloween Carnival. On Wednesday, October 25 everyone is invited to come have some spooky fun and show off your fun & scary costumes. We will be having a spooky walk, witch's brew, face painting and lots more. The time is 6:45-8:00 . This will be an open house so feel free to come at a time that works best for your family. . Don't forget about our Bake sale, the teachers always make some yummy treats!

We are asking for each family to donate a bag of candy so at the end of the night each child will receive a treat bag. Please NO PEANUTS OR PEANUT BUTTER TREATS

Corn Maize Field Trip

The Pre-K and Kindergarteners will be going to the Corn maize to do some pumpkin picking and exploring the corn maze. They will have some fun and exciting educational activities that will give our students hands-on experience with agriculture.

WHEN: TBA

WHO: Miss Seeta, Miss Jen, Miss Darcie , Miss Rebecca & Miss Melanie Classes

TIME: 9:30 and not a minute later and will be returning at 12:00

Fire Prevention Week Oct.8-14

This year's Fire Prevention Week campaign, "Don't Wait - Check the Date! Replace

Smoke Alarms Every 10 Years," represents the final year of our three-year effort to educate the public about basic but essential elements of smoke alarm safety.

Why focus on smoke alarms three years in a row? Because NFPA's survey data shows that the public has many misconceptions about smoke alarms, which may put them at increased risk in the event of a home fire. For example, only a small percentage of people know how old their smoke alarms are, or how often they need to be replaced.

As a result of those and related findings, we're addressing smoke alarm replacement this year with a focus on these key messages:

- Smoke alarms should be replaced every 10 years.
- Make sure you know how old all the smoke alarms are in your home.
- To find out how old a smoke alarm is, look at the date of manufacture on the back of the alarm; the alarm should be replaced 10 years from that date.

Cookie Dough Fundraiser

We will be kicking off our Fall fundraiser Oct.9-20. We will be selling Otis Spunkmeyer cookie dough. Cookie dough is

great for this time of year for parties, gifts or just to eat. All orders are due back by Oct.20 and cookie dough will be delivered the 17 of November. The teachers are fundraising for new educational toys for their classroom.
