## Kindergarten Registration for the 2018-2019 school year.

Looking for alternative Kindergarten program than what is now available in the public school system? Looking for a full day Kindergarten Program?

Children's Classic has offered a private Kindergarten Program for over 30 years. Our program is spoken of highly by the local educators and parents who have had children attend our kindergarten over those 30 years. Our learning program focuses on phonics, reading, math, creativity, and social skill building. The program offers a small class size. In addition to the basic core classes we offer history, geography, Spanish and science each month to help broaden the children's interest in other academic and learning experiences. The monthly tuition cost includes meals, breakfast, lunch and snack and care before and after school. Spots are limited so don't delay. There is a \$60.00 deposit to reserve your child's spot. We will be having enrollment for our Children's Classic families during the month of March and then in April we will open it up to the public. We only have 20 spots available.

## Friends for sight

Thursday, March 29 Friends for Sight will be here to do eye screening for children ages 3-5. Friends for Sight's vision screenings are an effective, low-cost method for assessing vision disorders such as Amblyopia, Strabismus, and refractive errors. These issues affect all aspects of young lives, negatively impacting a child's ability to learn, play, and develop.

### Easter Egg Hunt & Party

The Easter bunny will be hopping by on Friday, March 30 during preschool hours to hide eggs and take pictures with the children. Happy Easter & April Fool's Day

### Lucky Door Contest

Parents starting March 9 we will be having a LUCKY DOOR CONTEST for the teachers. We will be posting all the decorated doors on our Facebook page for you to view and vote on. The door with the most likes will receive a prize.
