### Teacher Appreciation Week May 7-11

Teachers are Special! As the Director, I am personally aware of how hard each teacher works to make a quality learning environment for each child in their classroom. I feel we have the hardest working team from our Teachers to the cooks, floaters & front desk office workers. They make everyday here a great place for kids to be. Please take time this week to let them know how much they are appreciated by you and your child.
