

Because it's summer and the memories are just waiting to happen.

Welcome to Summer at Children's Classic! We have a lot of fun activities planned for the summer, the School-age will be going on field trips every Tuesday and Thursday and the Pre-k will be going every Wednesday. The younger kids will not be missing out, we have water day hands on science experiments and much more planned for them.

Welcome to all our new friends who are joining us for the summer, we hope you have sizzling summer with us here at Children's Classic.

Flip Flops...

To wear flip flops or not that is the question?

We strongly urge your children to wear appropriate shoes to daycare. Flip flops and playing don't mix. We have had toes run over, toe nails pulled off & skinned feet. Plus have you tried running in flip flops? We encourage you to have your child wear sandals with backs on them or tennis shoes or any shoe that covers the toes and stay securely on their feet.

Parents please make sure your child wears proper shoes to school on field trip days. Even though flip flops are the easiest shoes to put on your child they are the cause of a lot of accidents. On past field trips a broken flip flop made for a unhappy experience.
