## What our parents are saying...

Children's Classic Staff!!

I would like to thank you all for taking such good care of Baya all of these years, she was just a small little girl when she started now graduating 3rd grade! It makes us sad that this will be her last year with you, ea how much we appreciate you! Baya will miss her teachers and friends for sure but hopefully see you around. Love Jenni & Baya

And I'm proud to be an American,  
where at least I know I'm free.  
And I won't forget the men who died,  
who gave that right to me.
