## Fire Prevention Week is October 7-13, 2018

This year's theme, "**Look. Listen. Learn. Be aware. Fire can happen anywhere,**" works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire—and how to escape safely in the event of one:

### LOOK

Look for places fire could start. Take a good look around your home. Identify potential fire hazards and take care of them.

### LISTEN

Listen for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

### LEARN

Learn two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

### Halloween Class Parties...

On Wednesday Oct. 31 we will be having Halloween parties in the class rooms during preschool hours. If you would like to send a treat they must be store bought and no peanut butter or nut products. Please no costumes (except Miss Nila's class). Your child may wear character jammies or a Halloween shirt.
