

Welcome to a New Year! I hope 2019 brings everyone all new and exciting things for yourself and family.

Thank you so much to all the wonderful families who helped make our Giving Tree a true Christmas miracle to a few families who needed a little extra help this year. It was such a sight to see the tree filled up in the morning then by evening the ornaments would be gone. We love all our families here and want to Thank everyone for all the kindness you shared with others.

Parents with the colder weather here, please remember we still take the children outside depending on the temperature. Please have them dress warm with snow boots, gloves and warm coats. And please make sure they have an extra set of clothes to keep here at the center for days that they may need to change.

It's that time again. TAX TIME! If you need a statement for child care for the 2018 year, statements will be available January, 14 2018. Stop by the front desk and sign your name on the Tax sheet. Thank you.
