Dear DKZ Families,

Spring is just around the corner, and we are excited to welcome the new season with fresh opportunities for learning and growth! March is a wonderful time of year as we watch the world around us change, and our little learners continue to blossom.

This month, we have several exciting activities planned, including our first ever family skate night, Spirit week (Celebrating Dr. Seuss's birthday) and our annual Night at the Museum and art exhibit. We also want to take a moment to recognize our incredible teachers and staff for their dedication to creating a nurturing and engaging environment for your children each day.

As always, we appreciate your continued support and partnership. If you have any questions or feedback, please don't hesitate to reach out. Thank you for being part of our DKZ family!

Sincerely, Kara Eddington

**Exciting News for Parents of Future Kindergarteners!**

**It's time to sign up for our 2025-2026 Kindergarten year!**

**Ms. Melanie is already excited to start planning for next year's class and looks forward to welcoming your child!**

## ABOUT OUR PROGRAM

★ Our Kindergarten Program Includes:

- **Alphatime Curriculum:** Phonics, Mathematics, Science (STEM), Social Studies, and Social Emotional Skills
- **Small Class Size:** We cap our program at just 20 students to provide more 1-on-1 attention for your child.
- **Before and After Kindergarten Care:** Flexible options to accommodate your family's schedule.
- **Meals Included:** Breakfast, Lunch, and Snack are provided each day.

At our school, we are committed to nurturing each child's love for learning, supporting their growth in all areas, and preparing them for success in their educational journey.

**Sign Up Now to secure your child's spot in the 2025-2026 Kindergarten class!**

Please see the front desk to sign up and for more information!

## Monthly Curriculum

### Exploring Museums

This month we will offer a hands-on, immersive learning experience about history, art, science, and culture. They children will engage with interactive exhibits, discover stories from the past, and develop critical thinking and curiosity. Museums spark creativity, encourage questioning, and provide real-world connections to what they learn in the classroom. Whether observing ancient artifacts, learning all about dinosaurs, experimenting with science displays, or admiring works of art, children gain a deeper understanding of the world around them in a fun and meaningful way.

March Core  
Value:  
Mindfulness

## Employee Celebrations

### Teacher Anniversary

Join us in congratulating our incredible teachers on their work anniversaries! Their dedication, passion, and love for teaching make DKZ Children's Classic such a special place for our children to learn and grow.

- **Melanie Jenkins 25 years**

### Happy March Birthdays

- **Cheyenne Moran- 25**
- **Christie Denton- 28**
