# MARCH

2025

### Message from the Director:

Can you believe that it is March already. This year is already starting to fly by. Before you know it, we will be celebrating Christmas. I don't know about you, but I just feel like I'm just catching up from Christmas.

We wanted to thank all of you for helping with the classroom parties for Valentines Day and It was nice to see all the parents come in for Parent Teacher Conferences. Thank you for supporting our teachers efforts on behalf of your children. We love it!

March will be packed with lots of fun. We have our Family Skate Night at Neptune on Monday, March 3rd which all of us are excited to see all of you and have some fun. Some other fun things for March are Celebrating Dr Seuss week, St Patrick's Day, Museum Night where we turn our school into a museum for all of you to explore and even Springing our Clocks Forward for Day Light Savings. We look forward to having a fun filled March with all of you.

**Spring Pictures will be taken April 1-3**  
We are so excited!

### Monthly Core Value: Mindfulness:

Our Core Value for the month is Mindfulness. We believe that mindfulness helps children and staff through self-awareness and self-regulations. Learning strategies to shift their mindset will help have more positive intentions for life.

Some ideas to help have a more positive mindset:

do yoga with your kids,

go on some nature walks so you can explore and have fun

do some breathing techniques.

These things will help each of us have a more positive mindset throughout the month.
