

Children's Classic Ogden

Kindergarten Graduation

Teacher Appreciation Week

May 3-7 is teacher appreciation week.

We Love are staff! Our school would not be the amazing school that it is without the wonderful teachers and cooks we have working for us! We are sure that you as parents can agree with us! Please take some time throughout the week to let them know just how much. A card, or note, a hand drawn picture, a hug, or even a favorite treat are a few simple ideas to let them know you appreciate them.

We will only be applying spray on Sunscreen . Please provide a botte with your child's name on it , if you want us to put it on your child. If you have any questions or concerns please let us know.

Our kindergarten class graduation will be on Wednesday , May 26. It will be in the backyard at the school. Two parents per child will be allowed to attend. Please watch for more information to come.

Closing Early

We are so excited to take our teachers on a staff retreat. We will be closing early on Friday, June 11. We will close at 5:00 p.m. We wanted to give you plenty of time to get it on your calendar. This will help all of our staff be able to arrive on time and not miss out on any of the fun! Thank You

Mother's Day

We want to wish all Our moms, grandmas, aunts and anyone who helps in a motherly role a very Happy Mother's Day!

Referral Bonus

Do you know someone who is loving and wonderful with kids? Do you think they would love to work here at children's classic with all of us? We are offering a \$200.00 referral bonus if we hire them.

Mask Update

Starting Monday, May 3rd we are no longer requiring masks to be worn. You can still have your child wear one if you like. They will be required at large gatherings and on fieldtrips. Our school age and pre-kindergarten classes will be required to wear

My mom is really great;
She's sweet as she can be;
When I need some help, I know
She's always there for me.
Mom loves me all the time,
Even when I'm a pest;
She always takes good care of me;

Kindergarten

end of school field trip

Miss Melonie's class will be having an end of year fieldtrip to the dinosaur park. It will be on Thursday, May 27th. They will leave at 9:45 a.m. The cost will be \$4.00. Parents are welcome to come.

Closed for Memorial Day

We will be closed on Monday, May 31 for memorial day. We hope you have a great weekend !

TEACHER OF THE MONTH

MISS NATALIE MILLS

Mrs. Natalie loves the mountains. She would love to live in Alaska. She loves crafting and making flower arrangements. Her family makes her smile. She loves to play with her grandkids in her free time. We love having Natalie at our school. We are so glad she works for us.

STEM Projects FOR May

WEEK 1 Water is important. Our bodies need water to stay healthy. It's important for us to drink water and it's always fun to drink through a straw. Does celery remind you of a straw? If we had a celery stick, could water go through it? If we look closely we can see tiny holes at the end. Can water travel through those tiny holes?

WEEK 2 Can you hear the birds chirp? What would make birds want to come visit more often? What if we created a bird feeder out of supplies? What would happen?

WEEK 3 Worms are wiggly and jiggly! They slither and slide as we watch them in the dirt. Could we make gummy worms wiggle without touching them? What if we mixed together some items in the kitchen like baking soda and vinegar?

WEEK 4 Plants are living things but how do they breathe? To help us understand our teacher will take a leaf from a tree and put it under some water. We will then place it in the sunlight. What will we see while we wait and watch?
